**AMEND Senate Bill No. 2511\***

**House Bill No. 2562**

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. The board of pharmacy, the board of medical examiners, the department of health, Tennessee bureau of investigation, the Tennessee sheriffs association and the department of agriculture are urged to study issues related to the medical use of marijuana and to report their findings to the house health and human resources committee and the senate general welfare, health and human resources committee on or before February 15, 2011. The entities which conduct the study shall invite members of the general assembly to participate in any appropriate meetings on this topic if such members so desire. The entities which conduct the study may make recommendations concerning changes in statute or policy that the study suggests would be beneficial.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
